BUFFALO AND CHICAGO LINE OF STEAMBOATS.

Lady Elgin,	Hendrick Hudson,	Sultana,
Louisiana,	Globe,	Wisconsin.

The proprietors of the Eckford Line would particularly call the attention of the Merchants of Wisconsin, Illinois and other Western and South-western States to the superior facilities of their line for transportation to and from the ports on the Upper Lakes. The above line of Steamboats runs direct to our Dock, at Buffalo, and all goods contracted by this line for the Upper Lakes will be shipped (unless otherwise ordered or contracted) by *Steamboats*, (not Propellers) with but one, or possibly two exceptions. The Eckford is the only Line not interested in, or committed to, a Propeller Upper Lake Line; and in endeavoring to sustain a line of *Steamboats* on that route, the Proprietors hope to receive the support and patronage of the Merchants of the Western States when interest demands the continuance of a line of such a class of Boats. Boats leave New York and Buffalo daily.

Refer to L. J. Higby, Thomas P. Williams, and Kellogg, Strong & Co., Milwaukee.

THE undersigned would respectfully solicit the attention of dealers in and consumers of Coal in Milwaukee to our Card, as above. The Bolivar Coal is unquestionably superior to any other mined in Ohio for Grate, Blacksmithing, Machinery, or Domestic purposes, and for Steam purposes, is superior to any except Brier Hill. It is peculiarly well adapted to Shipping, as its extreme hardness renders it capable of bearing any amount of handling, without waste. It can be afforded considerably cheaper than Brier Hill, and for most purposes is better.

It is our wish to introduce the article, and we respectfully solicit orders, confident that a trial is only necessary to convince any of the truth of the above assertion.

THIS Company offers unrivalled facilities for the Insurance of Dwellings and Personal Property against fire. The advantages it offers are security beyond the reach of circumstances, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of evasion. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 2000 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State.

In offering our Stoves to the community, we do so with the full assurance that we can supply better articles than can be purchased at any other place, being entirely new patterns, manufactured with care and from the very best materials. The following list of patterns is offered with the confidence that they will give satisfaction in every particular, viz:

THE ECONOMIST
DOUBLE OVEN COOKING STOVE,
(Which received the First Premium at the State Fair, lately held at Janesville,)

Possesses great advantages over every other stove, for plain flues and direct application of heat, being so arranged that one or both ovens can be used at pleasure. It will cook in half the time of any other stove now in use, and with half the fuel, not consuming over four cords of wood in one year.

The TRIUMPH, single oven, takes in long wood, is an excellent stove—one that has been well tested, and given general satisfaction.

The PREMIUM is different in its construction from any other made, in the arrangement of the flue back—acknowledged to be a great improvement.

The JUNO PARLOR is adapted to either wood or coal, being decidedly the neatest arrangement ever offered to the public, having all the conveniences of the stove combined with the beauties of the open grate. It is beautifully ornamental, highly finished, and perfect in every respect—the entire front above and below the grate being opened or closed with three doors, and so arranged that when open they are completely out of sight. It is equally adapted to offices as well as parlors.

The RADIATOR is the best coal stove ever got up as a retainer of heat.

Persons purchasing their stoves of us, in the event of any of the plates getting broke, can at all times be supplied with extra ones, thus superceding the necessity of throwing away stoves, which many are daily compelled to do in buying Eastern ware.

Those who are in want of an articles in our line, will find it to their advantage to give us a call, before purchasing elsewhere, as we are confident that we can give satisfaction in all cases. City references given, where our stoves can be seen in operation. Stoves delivered and set up in any part of the city, free of charge. All orders promptly attended to.

VOLUME VIII. MILWAUKEE DAILY SENTINEL. NEW SERIES.

A SCENE IN THE HOUSE.

The following disgraceful battle of words occurred in the House on the 24th ult. We give it merely as a specimen of the *modus operandi* at Washington. It is rumored that the belligerents have since interchanged coffee and pistol civilities. Read and draw conclusions:

LIGHT-HOUSE APPROPRIATIONS.

The House went into committee of the Whole on the bill making appropriation for the support of light-houses, the general debate having been previously limited to one hour.

Mr. Polk said it was not his purpose to discuss the bill before them but to show, among other things, that the Whig party have gone into liquidation and cannot pay ten cents on the dollar.—He was at Baltimore when the Whigs nominated General Scott, and it was understood for three or four days that men from Kentucky, Tennessee and Virginia had agreed to come to Seward, and the fact that Scott was nominated showed that the bargain had been made.

EXCITING EPISODE.

Mr. Cullom—I can't hear my colleague. (These gentlemen occupied seats on opposite sides of the Hall. Members generally began to manifest additional interest in the proceedings.)

Mr. Polk (in reply)—I wish then you would come a little nearer.

Mr. Cullom—I understood you to say something about a betrayal of the South.

Mr. Polk—I say the man who now occupies a position as Senator from Tennessee was to have been nominated with Fillmore on the ticket, and that he betrayed his interest. My colleague can answer whether he was connected with this betrayal.

Mr. Cullom—My colleague in the Senate can answer for himself. I proclaim here that I have made no collusion, public or private, and I pronounce the insinuation gratuitous, unfounded, untruthful and utterly false.

The Chairman (Mr. Venable) knocked to order, and much excitement was everywhere manifested—many of the members rising to their feet, and a rush being made by the lobby occupants to the bar.

Mr. Polk resumed, saying that there was but one way to arrive at the facts, and that was a straight forward course. I repeat, Senator Jones betrayed the Whig party of Tennessee: and I will make another charge. I will not allow this thing to go into an indefinite kind of responsibility—I will make it a fixed one—I say when my colleague made the assertion, at the City Hall, in this City, that Franklin Pierce or his horse fainted, he lied!

The Chairman and others called to order, and there was much excitement and apprehension of a personal conflict.

Mr. Cullom—When my colleague insinuates that I have made a false representation, he is a liar! [Sensation.]

Mr. Polk—I ask some friend to come to me.

Mr. Cullom—That's what I say.

Mr. Edgerton—I ask that the finality resolutions be read.

Mr. Polk resumed, saying that after all the illiberal, unfair and shameful attacks on Pierce, it was necessary to review Scott's history and hand down to posterity a denial that Scott is all that his friends claim for him; and history would show this. He then spoke of Scott's persecution of Worth, Duncan, Dickinson, Pillow, and others, being envious of their fame, and not wishing them to share the honors of the campaign. These soldiers were the victims of Scott's vengeance, and Scott was not only unworthy as a civilian, but is a magnificent humbug; facts prove these things. After mentioning many things told to him by the late General Worth, he said that Scott was sitting in proud state when Santa Anna's Commissioners came to know whether Scott would fight at Chepultepec or not. Scott played the grandee, and submitted to it, and thus sacrificed 750 lives at Molino del Rey.

Mr. White, of Ky., rose, saying he understood the gentleman to make an allusion to an alleged understanding between Scott and Santa Anna. He wished to know whether the gentleman could produce no other evidence for this, than by going to the grave-yard?

Mr. Polk—I say what I have stated is correct, and I can prove it.

Mr. White—I call for proof.

MR. POLK GETS CHIVALROUS AGAIN.

Mr. Polk—I will say, in answer to the gentleman, that it is not my purpose to engage in personal controversy, but I learn that he has been pitted here to assail me, and I say he understands the rules which govern gentlemen of honor in his country and mine, and whenever he asks I will answer him.

Mr. White—I ask the gentleman to give way to a personal explanation.

Mr. White—The gentleman says he understands that I was selected to be pitted against him; I say that is false, and whenever my honor is assailed, I know what to resort to.

The excitement was at a fever point all over the Hall.

DETERMINED ON A FIGHT.

Mr. Polk—For fear of misapprehension, I tell the gentleman he is a liar.

A dozen gentlemen jumped to their feet, while others called to order, and there was the greatest confusion, amid which Mr. Chandler said the scene was disgraceful, and moved, in a loud voice, that the Committee rise, and there were cries of "Agreed, agreed," "order, order." The Chairman banged with his gavil, and by this time everybody was on tiptoe. Cries of "Down in front," "Order." Bang, bang, went the hammer.

Mr. Polk refused to give way to Chandler, saying, "I have the floor."

Mr. Bayley, of Va., said the motion of Mr. Chandler would not effect the object desired.

The Chairman said the motion of the gentleman could not be entertained, Mr. Polk not yielding the floor for that purpose.

Mr. Chandler—The language used in this House is irritating—leading to quarrels and perhaps to bloodshed. I appeal to the House to sustain its dignity—such proceedings are disgraceful.

The excitement soon subsided.

Mr. Polk continued his speech in praise of Pierce and in detraction of Scott, representing the latter in anything but becoming light,—and wound up by making reference to a certain document distributed by the Whigs to injure Gen. Pierce in the North, they having printed an article from the *National Era*, showing that Pierce is a friend to Slavery—while documents of contrary character, based on the New Boston speech, are flooding the South.

Mr. Cullom asked leave to make a personal explanation.

Mr. Stuart objected, only on the ground that the general discussion had terminated by previous order of the House.

To accommodate Mr. Cullom, the Committee rose, when that gentleman expressed his regret that he should occupy one moment of the time of the House, at a period, too, when they were about to shake hands and return to their homes. He had been respectful and kind to all Whigs and Democrats, and had given no occasion to his colleague for an attack.

Mr. Polk here explained, saying he alluded to what Cullom said at the City Hall, when he charged Pierce with cowardice.

Mr. Cullom replied, that he blushed, to-day, at the conduct of his colleague.

The Speaker—The gentleman is out of order.

Mr. Cullom—My remarks shall be kind. My colleague has sought a kind of notoriety I do not envy. He has been lugging himself into every speech delivered here, and his hand is against every man. He assails on the right and on the left, and I am astonished at the forbearance of gentlemen.

Mr. Polk (in his seat)—I said you are a liar, and I say so again.

Mr. Cullom—I will not assail the gentleman outside the record; but when he tramples on my sacred honor, I will let him know that I hold him and his bragadocio bullying in utter contempt; and as to Gov. Jones, I will merely repeat the charge made against him is a libel, and the statement a vile and infamous slander. I cannot imagine the Democracy has put the gentleman forward to denounce Gen. Scott as a vain, foolish man, and void of all patriotism, and honor. High as my colleague's reputation is, he cannot damage Gen. Scott.

Mr. Polk—I did not say Scott was a coward, but that there is no evidence to show that Pierce was a coward; for if Pierce was a coward, Scott was a liar, and others who say so are liars.

Mr. Cullom said, the gentleman has qualified his expression. I heard no man denounce Pierce as a coward, at the meeting alluded to. I merely alluded to a historical fact, namely, that Pierce's horse stumbled, and Pierce fainted. I advise my colleague to get some glue and stick himself to his seat, and maintain his dignity. I think it unfortunate that my colleague alluded to the Mexican War, and that his reference to Santa Anna was wrong, considering that gentleman's relations to the Administration under which it was conducted.

And here the curtain fell, and the farce ended.

AN EXAMPLE.—Capt. BUTLIN, stopped here with his boat in a fog on Sunday evening and remained until it cleared up.—This is an example worthy of imitation—no one need fear to travel on the Arctic with its present officers.

At that time were on board the Arctic several of the sufferers by the disaster to the Atlantic—four Norwegian children who had lost both of their parents, and others more or less afflicted. A purse was immediately made up by our citizens on the pier, of some $20, and distributed among them. Some of them had friends in this vicinity, and stopped with them.—*Washington Co. Blade.*

THE WORK ON THE RIVER.—The contractors are now going on with all the force they can command, in the work of the River Improvement.—At Kaukauna, there are upwards of one hundred men at work; at the Cedars, about fifty; at Grand Chute, some sixty or eighty, and at each place the contractors are using every exertion to increase the force—it being difficult to find laborers. The contractors at the Cedars intend to finish their job this fall if possible.—*Green Bay Advocate.*

Letter from Hon. Henry Bradley.

The following letter from MR. BRADLEY, who was the Liberty Party candidate for Governor of New York in 1846, takes a view of the Presidential question which will commend itself to thousands who voted for Van Buren in 1848:—

PENN YAN, Aug. 16, 1852.

William M. Hoyt, Esq.,

DEAR SIR:—Your favor of the 9th came duly to hand, in which you say that it is reported in your section that, in a conversation with Mr. Hull, I declared my intention to vote for Gen. Scott for President, and you ask in the name of "a number of citizens" if this be true.

If I am correct in my recollection of the conversation with Mr. Hull, it is substantially as follows: There was a third individual present, and the topic was slavery, and its usurpations and abuses. It was said that the South were opposing General Scott on the ground that he was anti-slavery, and that he was in sympathy with William H. Seward. I remarked that if it could be shown that the assumptions of the South were founded on truth, I would readily vote for Gen'l Scott, for I desired to cast my vote against Slavery.

Perhaps I ought to say that from the commencement of the public life of Mr. Seward, I have had the most unwavering confidence in him as a man, as a statesman, and as a true and reliable friend of freedom. So far as his influence shall prevail I doubt not it will be just and constitutional towards the North and towards the South; towards the slaveholder and towards the slave.

From the first announcement of the doings of the Democratic Baltimore Convention, in the adoption of its platform and the nomination of Gen. Pierce, to the present time, I have regarded the country as in a state of imminent peril. The ninth article of that platform had been twice placed before the American people, and received with great offence by a large portion of the Democratic party, insomuch that in 1848 many of the leaders of the party, as well as thousands of the rank and file, planted themselves upon the Buffalo platform pledging unyielding hostility to slavery. With this movement I sympathised and co-operated in good faith. Judge then of my surprise to find this same ninth article again adopted with expletives, if possible infinitely more anti-republican and offensive, closing up with this most unreasonable, unphilosophical and insulting resolution:—

Resolved, That the Democratic party will resist all attempts at renewing in Congress or out of it, the agitation of the slavery question, under whatever shape or color the attempt may be made.

To all this Gen. Pierce, the nominee for President, responds:—"I accept the nomination upon the platform adopted by the convention, not because it is expected of me as a candidate, but because the principles it embraces command the approbation of my judgment, and with them I believe I can safely say there has been no word or act of my life in conflict." Immediately all the Democratic papers, Barnburner and Hunker, from Bennett's Herald and the Albany Argus, down to the lowest country issues, fall to glorify the democratic platform and the nominee, Gen. Pierce, without a word against Slavery; and all this is echoed by the public speakers, the Van Burens, the Butlers, the Dixes, down to the smallest Hunker that holds forth his sentiments in the forum of a bar-room.

Now in all this, are the party and its nominee honest and candid? If so they should be indicted and punished for treason against humanity and for a cowardly and craven surrender of liberty to slavery; if on the other hand, this is simply a *ruse* to gull the South, then they are dishonest, and for that reason are unworthy to be trusted.

For years past the Democratic party have rung the changes on the words "harmonious Democracy;" and the Whig press has furnished amusing proofs of the absurdity of such a play upon words. But now they are full of meaning; they are portentous. If the party succeeds we are to have slavery in perpetuity without agitation in Congress or out of it, under the special care and authority of the Government, or the party are practicing a *ruse* and the South are cheated.

I turn from the Democratic to the Whig party. In no instance I believe have the Whig party adopted sectional, slavery doctrines. An attempt was made at the commencement of the present session of Congress to pass the compromise measures through a Whig caucus of members of Congress. But a fragment of the party were present, and though it was declared formally passed, such were the indications attending its passage that in the judgment of both the south and the north it was bereft of all strength.

Again at the Baltimore Whig Convention, the adoption of the platform (which must be admitted to be wrong in principle and offensive in language) was the work of but a portion of the Convention, and to this day the South refuse to regard it as affording any security that the party or its nominee will favor sectional slavery.

Both the Convention and General Scott as its nominee, have gone quite as far as, in my judgment, they could with any show of consistency, to convince the South that both stood upon a national and not a sectional platform; and that while the Federal Government would not interfere with State Sovereignty by legislating for or against slavery in the States where it exists, it would by no means consent to its extension into territory where it does not exist.

It is right and proper that the parties should be national; the South have rights as well as the North, and these are to be regarded and protected by the Government. But this does not seem to cover the whole ground. There is a political element in American Slavery which is far more effective for good or evil than all the questions of abstract right. In the very necessities of the case, slavery must rule or must be ruled; and up to this time none can fail to see that whatever there may have been of the carrying out of the doctrines of Declaration of Independence and of the Federal Constitution, has been by yielding to slavery so much that in its plethora it had but little activity to exert in the suppression of other's rights.

But the time has come when such dispensations and indulgences are not to be expected. The issue has been taken, and the present canvass may decide the question which shall rule, which shall have the patronage and power of the government, and which shall be honored by the servility and sycophancy of officers seekers:—Freedom, or Slavery. If the former prevails then will the rights of all be secure: if the latter succeeds then will the rights of none be protected.

In such an issue can any one doubt where Gen. Scott will be found? His whole life, in public and in private, has exhibited the fixed purpose of promoting the cause of human freedom, whatever peril or sacrifice it might cost him. That he will ever consent to yield the political power of the country up to slavery, the south refuse to believe for a moment; that Gen. Scott would administer the government with strict regard to the Constitution, and with pre-eminent ability, I have no doubt; and if long continued service and disinterested devotion to the country are entitled to any consideration, then is Gen. Scott entitled to gratitude and not to calumny and misrepresentation.

But do the Whig party and its nominee stand before the country as an anti-slavery party? I answer it does not stand as a pro-slavery party.—Look at the Whig local conventions and you will look in vain for an endorsement of slavery. Again, where is the Whig Press? Where the New York Tribune, the Albany Journal, and almost the whole Country Press? And what is the position of the Whig public speakers? These questions need only be asked—all will agree upon their answer.

Now, as between these two great parties, how is the result to be regarded? There can be no difference of opinion in this regard. If General Pierce should be elected, both the South and the North will regard it as a slavery triumph, and the government will be administered and its patronage dispensed accordingly. If General Scott should succeed it will not be an anti-slavery triumph, but it will be, for the time being, a defeat of political slavery, and the government will be administered, and its patronage dispensed nationally.

One of these men must in all human probability be President. If lacking one vote and that should be mine, Gen. Scott should fail and Gen. Pierce should be called to occupy the place once occupied by a Washington, an Adams, and a Jefferson, I should feel that by failing to do a simple act of duty I had inflicted a lasting injury upon the slave and upon the country.

With great respect I remain your friend,

HENRY BRADLEY.

KEEP IT BEFORE THE PEOPLE.—That General Pierce is bitterly opposed to the river and harbor improvements, and invariably voted against them when in Congress.

That he is opposed to American industry and American labor, and in favor of a tariff designed to advance the interests of British Capitalists.

That though living in a State where his influence is claimed to be omnipotent, Catholics are not allowed to hold office.

That he is opposed to the appropriation of public lands towards building western railroads, canals, and plank roads.

That he voted against an appropriation to the widow of General Harrison, who was left destitute by the untimely death of her husband, and the heavy expenses incurred by his election to the office of President and removal to Washington.

That he voted against pensions to the widows of revolutionary soldiers.—*Petersburg (Va) Intelligencer.*

DIRECT ISSUES.—In the nomination of Messrs PIERCE and KING the Loco Focos have given the American people a clear, direct, and unequivocal issue upon the great question of a Protective Tariff and the IMPROVEMENT OF RIVERS AND HARBORS. These nominees of our opponents have both voted, repeatedly, as members of Congress, *against* Tariff and River and Harbor bills. They stand committed against these vital American interests. And being thus committed in favor of British Free Trade, they have the support and sympathies of the English press and English manufacturers.—This fact enables the American people to decide whether they will have an *American* or a *British* President and Vice President.—*Albany Evening Journal.*

The Scott Men at Work!

The rapidly multiplying orders which reach us every day, by mail, or private hand, from all parts of the State, for Campaign papers, lives of Scott, and other political documents, satisfy us that the friends of Home Industry and Harbor Improvements, are actively at work, and in earnest, in the effort to carry Wisconsin this Fall. We draw the same gratifying inference from the following lachrymose paragraph in the last State *Register*:

IN THE FIELD.—During the past week large quantities of "picture books" have been received by the Whig leaders in this place, and they are being scattered every where through Jefferson and Dodge Counties. They are printed in English and German. The Junto here, are very active, and are sanguine that they will carry this State, and are leaving no stone unturned. About $20,000 for a betting and corruption fund for the State, has been scattered abroad for the purpose of bringing about such a result. Whether they will succeed will depend entirely upon the vigilance and activity of our Democratic friends. If they rest listlessly upon their oars, and let their opponents canvass the State, filling every house with their lying pamphlets, and sowing distraction among us wherever they can do so, and which is the game which they will follow, we may expect to see our Democratic majority materially lessened.

The $20,000 "betting and corruption fund" is rich, decidedly. It looks like preparing an excuse for anticipated defeat this fall, or else is meant to divert suspicion from their own doings, by charging intended corruption upon the Whigs. Which ever it be, we exhort the friends of SCOTT and GRAHAM, of Home Industry and Harbor Improvements, all over our State, to persevere zealously, efficiently and *to the end*, in the good work they have commenced; and to SCATTER THE DOCUMENTS far and wide among the people. No "betting or corruption fund" will be needed to carry this State for SCOTT, if the candidates presented and the issues involved in the pending contest, are *brought home to the knowledge of every Voter.* Shall it not be done? READER! will you do *your part*? If so, search out *at once*, among your neighbors, those who are still laboring in darkness and give them *light!*

RATHER POOR ENCOURAGEMENT.—The PIERCE men began their series of Mass Meetings in this State at Kenosha, on Saturday last. A gentleman who was present, told us that the entire "mass" was comfortably seated in the Court Room, with lots of room to spare, and that but for Whigs and Free-Soil spectators, the Pierce men could not have mustered a hundred, all told!

THE PROSPECT IN NEW YORK.—A sagacious and well-informed friend, writing from New York, closes his letter thus:

"Put down New York as sure for SCOTT by a majority of from 15,000 to 20,000. There's no mistake about this. The Whigs don't make as much noise as they did in '40 or 44; but they are *working like beavers*."

DELEGATE TO MADISON.—At the Assembly District Convention held in Kenosha on Saturday last, C. O. SHOLES was appointed Delegate to the Independent Judicial Convention which meets at Madison to-morrow.

ANNUAL FAIR.—The annual fair of the Fond du Lac Country agricultural Society will be held at Rosendale on the 29th and 30th September next.

Another Vote.

The following is the vote in the Senate, on the passage of the River and Harbor Bill, as amended in that body:

YEAS—Messrs. *Badger*, Bayard, *Bell*, Borland, Cass, Chase, *Clarke*, *Cooper*, Dodge of Wis., Dodge of Iowa, Douglas, Felch, *Fish*, *Foot*, *Geyer*, Hale, James, Jones of Iowa, *Jones* of Tenn., *Mangum*, *Miller*, *Morton*, *Pearce*, *Pratt*, Rusk, *Seward*, *Smith*, *Spruance*, Stockton, Sumner, *Underwood*, *Upham*, *Wade*, Walker—35.

NAYS.—Messrs. Adams, Atchinson, Bradbury, Bright, Brodhead, *Brooke*, Butler, Charlton, Clemens, *Dawson*, De Saussure, Downs, Grier, Hamlin, Houston, Hunter, Mallory, Mason, Merriwether, Norris, Soule, Toucey, Weller—23.

Absent or not voting.—Messrs. King, Sebastian, Davis, Whitcomb.

YEAS. 19 Whigs, 3 Free-soilers, 13 Democrats—in all 35. NAYS—2 Whigs, 21 democrats—in all 23.

It will be seen from the above, that the Democratic majority in the Senate, as in the House, voted *against* the River and Harbor Bill. Had it depended upon them alone, the Bill would have been *defeated* in the House by TWENTY-TWO majority and in the Senate by TEN majority. In both Houses, moreover, the entire Democratic vote of *New Hampshire* was cast against the bill! We again recapitulate the votes on this question in the Senate and House of Representatives and invite our Democratic contemporaries to publish them:

IN SENATE.

Yeas. 19 Whigs, 13 Democrats, 3 Free Soilers—35.

Nays. 2 Whigs, 23 Democrats—25.

IN THE HOUSE.

Yeas. 59 Whigs, 40 Democrats, 4 Free Soilers—103.

Nays. 13 Whigs, 62 Democrats—75.

THE JUDICIAL CONVENTION.—The Independent Judicial Convention which meets at Madison to-morrow, occasions, we regret to see, much disquietude among our democratic contemporaries.—The Washington Co. *Blade*, for instance, is tormented with the idea that it is all the work of the *Sentinel*, and expects to put us down with the following query:—

Where then, if not among its own friends, and those independent presses which have heretofore acted with it, does the Sentinel find warrant for the "Mass" movement.

We might reply, in the call signed by twelve hundred Electors of Milwaukee, and favorably responded to from all parts of the State. But we seek no "warrant" for the movement. It is quite immaterial who called, or who constitute the proposed Convention. It will be enough for us to know that the ticket they nominate is deserving of public confidence and popular support, to induce us to sustain it heartily. We do not hold that the nominations of this Independent Convention will be more *binding* upon the people than those of its party predecessor. They will be regarded as *recommendations* merely, and only so far entitled to the suffrages of the electors as they may be worthy of them. In brief, we hold that in Judicial elections the candidates, however they may be brought before the People, *should stand upon their own merits.* This is the theory of our Constitution, and this too the sentiment, repeatedly expressed, of our People. It will be an evil day for the State when a different rule shall prevail.

A New Edition of an Old Lie.

The Madison *Democrat* accuses us of an "artful dodge" in branding as a forgery an extract from the Albany Daily *Advertiser*, expressing the opinion that no foreigners should be allowed the privileges of citizenship in this country, and purporting to have been published in that paper while it was under our editorial charge. The *Democrat* proceeds thus:

The dodge is, that Gen. KING affirms that he never wrote such an article, and hence denounces it as a *forgery*. He does not, nor dare not deny that the extract is a true copy from the editorial columns of the paper at the time he was *one* of the editors. It matters not who wrote the article, it was given to the public under the sanction of both Gen. KING and his associate editor, and to deny its paternity is a miserable quibble. We assert on the best authority that the extract alluded to, and which he has several times pronounced a forgery, *was* published in the Albany Daily *Advertiser*, and Gen. KING *was, at the time of the publication*, one of the responsible editors of that paper.

We not only "dare," but *do* deny that any such sentiment ever appeared in the Albany Daily *Advertiser* with our "sanction," or while we were one of its editors. The assertion of the *Democrat* to the contrary is a lie out of whole cloth, and its "best authority" *bogus*. We defy it to the proof.

JUDGE WHITON.—For the credit of the Wisconsin press we are happy to see that the Madison *Democrat's* atrocious attack upon Judge WHITON finds neither imitators, nor apologists among its own political yoke-fellows. On the contrary, with rare exceptions they freely concede his eminent fitness for the post to which the People spontaneously call him. The Green Bay *Advocate* (dem.) says:

Judge Whiton, of Janesville, seems by common consent to be fixed upon by the opposition as the opponent of Judge Larrabee. *We have the highest regard for this gentleman, and have no doubt that he possesses all that is claimed for him*; but we are not aware of a single particular in which he has the advantage over Judge L., except in point of age and perhaps experience.

Two *rather* important "points" in the case before the People.

ADJOURNMENT OF CONGRESS.—This is the day fixed upon for the adjournment of Congress. The session has been a very long one, and as idle as it was long. Until the last few weeks indeed, Congress has done nothing, and the consequence has been that business has accumulated in both Houses to such an extent as to block the wheels of legislation. The scenes of the session have been anything but creditable and the one described in to-day's *Sentinel* merits the severest reprobation of the public press in all quarters of the Union. We doubt whether the cause or the candidates of the "democracy" will derive any benefit from such championship as Mr. POLK's. However indifferent Congress may show itself about this matter, the PEOPLE will resent the insults cast upon WINFIELD SCOTT and the indignity offered to their Representatives in Washington.

PRAISEWORTHY.—The citizens of Milwaukee have contributed between three and four hundred dollars, to relieve the necessities of the emigrant sufferers, by the Atlantic.—*Chicago Journal.*

Tell the *whole* truth, neighbor. The amount contributed by our citizens for the relief of these unfortunates, was $432 in cash, and $396 in clothing and provisions—in all, $828. It was indeed a "praiseworthy" offering.

WAUWATOSA DISTRICT.—We were in error as to the Delegate elected from the Wauwatosa Assembly District to the Madison Convention. Mr. RICHARD HOPPIN, Jr., is the gentleman chosen to represent that District.

CANAL AROUND THE SAULT.—The Senate bill granting 750,000 acres of land to the State of Michigan, in aid of the Ship Canal round the Sault Sainte Marie, passed the House on Thursday last, by a vote of 115 to 48. We hope that this important work will be pushed along without any further delay.

RIGHT.—The notorious Capt. Rynders was at Concord, N. H., and made a speech for Pierce and King which so disgusted many respectable "democrats" that they left the ground. Numbers, too, who were on the way to Hillsboro', learning that the ruffian was to speak there, turned and went home.

MILWAUKEE AND FOND DU LAC PLANK ROAD.—We learn from the Washington County *Blade* that Judge LARABEE has granted an injunction against this road, at the suit of Carl Yager, argued by A. D. SMITH Esq. Inasmuch as a jury had decided that the land of the plaintiff sustained no damage by the road's going through it, we cannot see the equity of a decision which arrests the progress of the work.

WILD FRUIT.—The delicious blackberry and wild plum are in our market, the former in abundance. Wild fruits, for which Wisconsin is famous, are very abundant this season.—*ib.*

Correspondence of the Daily Sentinel.

Murder at Pardeeville.

FALL RIVER, August 27, 1852.

MESSRS. RUFUS KING & CO.

Gentlemen:—I write to inform you that there was a man murdered yesterday, at Pardeeville, in this county. The circumstances are these:—A Mr. LEAHEY, (of Catholic notoriety, who once lectured in Milwaukee, which caused a mob among the Catholics some two years since,) became suspicious of an Irish friend by the name of Manly of having too much intimacy with his (Leahey's) wife, and sued him a few weeks ago, but failed to convict him. Yesterday they had another trial, and Manly was again cleared: when Leahey drew out his revolver and shot Manly, causing his death in a few moments. Leahey also shot twice at Esqr. Morton, of Pardeeville; once he missed him; the second time the ball passed through his clothes, grazed his body, and lodged in his arm. All of this occurred in the Court Room, while the room was *crowded*. Leahey has had his examination, and been committed to jail for murder.

Yours, &c.,

A. A. BRAYTON.

For the Sentinel.

Oak Creek and Franklin.

At a meeting of the electors of the Oak Creek and Franklin Assembly District, held pursuant to public notice at the house of J. J. MASON, on Saturday, August 28th, to choose a Delegate to the Independent Judicial Convention at Madison, JOHN HOCKENHULL was called to the chair and SAMUEL ROMANS appointed Secretary.

On motion, a ballot was had for Delegate which resulted in the choice of JAMES BUNN.

On motion of J. J. MASON, the Delegate elect was empowered to appoint a substitute, if unable to attend in person.

JOHN HOCKENHULL, Ch'n.

SAMUEL ROMANS, Sec'y.

☞ A motion was made to tack the River and Harbor Bill to the tail of this—which was resisted by democrats, on the ground of bad precedent in uniting subjects that had necessarily no connection. For this the Sentinel stigmatizes them as opposed to National Improvement. An unwarranted conclusion from the premises. Democrats have done right in resisting this pack-horse system.—*Fond du Lac Journal.*

It was Senator WALKER (democrat) of this State, who proposed this "pack-horse system," and both himself and his colleague, Senator DODGE, voted for it. We merely pointed to the vote, by which the motion was rejected, as a sample of the feeling of the democratic majority in Senate on the question of Internal Improvements. But if the *Journal* don't like this vote, will it produce some other, showing any other feeling than that of *settled hostility to Internal Improvements* by the Democratic majority of the Senate? We can find none such on the record.

A COMPLIMENT WELL DESERVED.—The Morning *News* of yesterday, in speaking of the Washington County *Blade*, takes occasion to pay the following compliment to the country press of our State:

The country press of Wisconsin, both whig and democratic, is as respectable, in point of ability, typography and neatness, as that of the State of New York, which is we suppose equal to any State in the Union. We hope to see these papers supported, instead of sending money out of the State for flash publications of Eastern cities.

We like both the principle and its application ENCOURAGE YOUR OWN, is the maxim of patriotism as well as policy. We cordially second the *News'* suggestion.

☞ The *News* of yesterday utters the following complaint:

It is quite certain—melancholy as the fact may appear—that the democratic party will have to elect Pierce and King without the co-operation of the London Times, the Duke of Wellington, and Queen Victoria.

Comfort yourself, neighbor. Tho' you cannot have the active "co-operation" of these distinguished allies, you may at least count upon their sympathies and counsel. The *Times*, indeed, publicly proffers Mr. Pierce its "*best wishes for his success*," and for the very satisfactory reason that it regards him as "*a valuable practical ally* to the commercial policy of England."

☞ The amendments add $530,000 to the bill (Harbors and Rivers) and in this shape it was *ordered to be engrossed*—yeas 31, nays 17. This is another indication of the favor with which this great question is regarded by a democratic Senate.—*Morning News.*

This old "dodge" won't do. A *majority* of the democrats in the Senate, as in the House, gave significant evidence of "the favor with which this great question" was regarded by them, *by voting against the bill.* The PIERCE organs of course are perfectly aware of this fact and therefore *suppress the vote.* They *dare* not let their readers see the Yeas and Nays on the Harbor Bill!

THE MURDER AT PARDEEVILLE.—A correspondent gives us a brief account of the murder of Mr. Manley at Pardeeville, last week, by the notorious LEAHEY, and of the arrest and commitment of the latter to stand his trial for this bloody deed. LEAHEY has been frequently spoken of as a recusant Monk, or priest. He was neither. It is true that when quite young he entered a monastery, but his conduct was such that he was soon obliged to leave it.

THE NEW YORK TRIBUNE.—We were happy to learn, from the N. Y. *Tribune* of Thursday last that the Daily, Weekly, and Semi-Weekly Editions of that paper are now larger than ever before; its aggregate circulation exceeding, by *many thousands*, that of any other newspaper printed in the world. Regarding, as we do, the N. Y. *Tribune*, as among the best and cheapest newspapers published, we rejoice to see its prosperity and its usefulness growing and extending with such gigantic strides.

☞ We publish in another place, a sketch of the scene in the House of Representatives the other day. It is not the first exhibition of drunken brutality that this Mr. POLK, a brother of the late President, has made in Congress. It is to be regretted that any one condescended to notice him.

STILL ANOTHER.—We have hardly recorded the opening of the celebrated Metropolitan Hotel in New York, when we find another "magnificent" house projected. Mr. J. B. Mounot, of the New York Hotel, has purchased, for $100,000, lots on Broadway, covering the space between the 5th and 6th avenues, upon which to build a Hotel of white marble, to cost half a million of dollars.

SCOTT BANNERS TO THE BREEZE.—The friends of Scott are beginning to wake up to their duty. They are satisfied that the the General Government will not be able to expend a single dollar in aid of the harbors on the lakes during the present Congress, and they are now doubly sure that there is no hope for appropriations of any kind either special or general, should Pierce be elected as he will veto every bill of that kind.

Yesterday we noticed that the firm of Bissell and Armstrong had erected a flag-staff on their warehouse and hoisted a beautiful flag inscribed "SCOTT, GRAHAM, CHANDLER. RIVERS AND HARBORS."

Their neighbor Mr. F. W. Backus, next raised his pole with a fine flag and the same inscription. Several other houses are getting ready to do the same thing. The vessels in the harbor have flags at their mast-heads with the same motto on them. Every thing looks right here.—*Detroit Advertiser.*

HELP FOR THE RIGHT.—Among the most prominent and influential supporters of Mr. Van Buren in his country, on the stump and otherwise, in 1848, were Hon. D. R. Tilden, Jas. S. Carpenter, Harvey Whedon, Mills Thompson, Edwin Wetmore and Wm. H. Upson, Esqs. Two of these gentlemen were elected to prominent offices by the joint vote of the Free Soilers and Democrats two years since, and another was voted for by the same parties little more than a year since. They are now all decided and active supporters of Winfield Scott; though now, as ever, unyielding oponents of Slave-Extension. *Hundreds* in this country occupy the same position.—*Summit (O.) Beacon.*

☞ A letter from Lake Superior says that a wooden skid was lately found twenty feet below the surface, upon which was resting a mass of copper weighing more than five tons. Two copper tools and several hammers of stone, together with with coal and ashes of wood, were lying around it, as fresh to all appearance as though they had been made last year; and yet there was six feet of vegetable soil above them, which on being cut, proved to be at least five hundred years old.

City Matters.

LADIES EDUCATION SOCIETY.—The Ladies Education Society meets this afternoon, at 3 o'clock, at the Plymouth Church. A general attendance is desired, as important business is to be transacted. M. A. JACKSON, *Sec'y.*

"THE MEN OF THE TIME:"—Redfield, publisher Clinton Hall, N. Y.

The publishers has sent us, through Messrs ARNOLD & WILSON, who have received a supply of the work, this new Cotemporary Biography of prominent men, in the different walks of life, both in this country and abroad. It is a book of some 550 closely printed pages, and will be found very useful as a book of reference. So far as our own country is concerned, we find many leading names omitted, and considerable evidence of party feeling as to those to whom place is given; but the principal events, with their dates, are given with accuracy. As to foreign celebrities, we regard the work as one of great value, the data having been taken from late works of acknowledged authority, and there being no possible motive for misrepresentation.

The publishers deserve well of the public, for such a work is much needed, and the few errors in judgment may be pardoned in consideration of the general value of the book.

BLACKWOOD FOR AUGUST.—The publishers, Leonard Scott Co., have sent us the August number of this popular old monthly. "Christopher under Canvass," "From Stamboul to Tabriz," "Katy Stewart" and "My Novel" continued, and two political articles, make up one of the most interesting numbers that we have noticed for long time. Blackwood seems to be abundantly satisfied with the result of Lord Derby's appeal to the country.

HARPER FOR SEPTEMBER.—We are indebted to ARNOLD & WILSON for an early copy of Harper's magazine for September. It is a capital number, two of the serial articles being exquisitely illustrated.

SCHOOL OF NOTRE DAME.—A public examination of the school children of the Sisters of Notre Dame will be held on Wednesday and Thursday next, the 1st and 2nd instants, commencing at 9 o'clock in the morning. Parents and Guardians, as well as other friends of the School, are invited to attend the examination.

FINE FRUIT.—We are indebted to S. P. BEECHER Esq. for two or three samples of excellent Apples raised by him at his Nursery two miles out from the city on the road to Wauwatosa. His supply of Fruit trees is large and well-assorted.

MILWAUKEE FEMALE SEMINARY.—We invite attention to the advertisement of this excellent school. It is accommodated with good rooms in J. OGDEN's brick building on Spring St., has a good corps of teachers, competent and faithful, and enjoys, as it deserves, a good share of public patronage.

FIRST WARD DELEGATE.—The meeting in the First Ward last evening made choice of LYNDSAY WARD Esq., as the Delegate to the Independent Judicial Convention which meets at Madison tomorrow.

VOTE ON THE CARS.—A vote was taken on the cars coming in from the West last evening, which resulted thus:—Scott 29, PIERCE 13, HALE 5.

COMMERCIAL.

THE MARKETS.

OFFICE OF THE DAILY SENTINEL,
MILWAUKEE, August 31, 1852.

There have been no remarkable movements in our market on during the past week. The receipts do not yet amount to very large figures, and shipments are light; but their has been a gradual strengthening of the market for the last few days, and the advance since our past weekly quotations is a handsome one on wheat, rye, and barley.—These prices are sensibly felt by the farmers, and the receipts increase daily.

The railroad movement in our city during the week, of which full accounts are given in another place, will attract attention. From the interest shown here in the projects, and the liberal offers made by capitalists east, we have every reason to believe that the roads will go forward speedily.

The weather has been favorable for harvesting and threshing, but very dry, and in some portions of the state the drought is excessive.

WORTHY OF ALL CONFIDENCE.
DR. STORM'S CELEBRATED SCOTCH COUGH CANDY.—No medicine ever invented has gained more popularity than this, nor is there any more deserving of it. There are so few compounds worthy the high merit claimed for them, that when one which is really destined to benefit the afflicted is put forth, we are slow to believe our most intimate friends, when they praise it. But Storm's Scotch Cough Candy is sold at a price so low, it must be evident to all that if it did not sustain a good reputation, enough would not be sold to pay for advertising. Almost every person that uses this article according to direction will feel justified in recommending it to others, it needs but a small outlay of money and time to satisfy the most sceptical that it is worthy of all confidence as a remedy in diseases of the Chest and Lungs.
Price, One Dime per Roll; 3 Rolls for 25 Cents; or $1 per Doz.
A handsome engraving of the Scottish Coat of Arms, and the written signature of Hamilton Wade, (proprietor,) is on the outside wrapper of each roll or package.

☞ Hundreds of our citizens complain of debility and languor of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all so afflicted —get a bottle or two—get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and, our word for it, you will be cured. We recommend this medicine knowing from experience that it is much superior to the generality of patent medicines. We would say to our readers, purchase none unless prepared by Dr. C. M. Jackson, Philadelphia.

PROMETHEUS!

LATER FROM CALIFORNIA.

New York, Aug. 30.

The steamer *Prometheus* from San Juan, arrived this A. M., with 250 passengers.

Her advices are from San Francisco to the 31st of July and have been anticipated.

The Oregon arrived at Panama with $2,500,000. Her mail comprises 60,000 and 30,000 newspapers. It was reported in San Francisco that 2000 Indians were about to assemble in grand council at the head waters of the San Joaquim, with the view of uniting against the whites. The citizens of Georgetown were busily engaged in preparing for them.

The city property of San Francisco sold, in Jan. has been redeemed by the Commissioners of the Funded Debt. It is now within half a million of dollars.

Thirty-two hundred sheep from Salt Lake had arrived.

The overland emigrants report much trouble with the Indians. The U. S. frigate St. Lawrence arrived at Honolulu on the 20th June.

Washington, Aug. 30.

The Senate met at 10 A. M.

A number of Senators having already left for home.

The Navy Appropriation Bill was considered. An animated discussion followed upon the amendment, which before any vote was taken, was suspended for the committee of Conference on the Judicial and Diplomatic Bill to report, they had agreed to the passage of the amendment. The report was accepted and the bills passed.

The debate was then resumed. The House assembled at 11 A. M., and although thinly attended had considerable difficulty in getting at the order of business.

A resolution to print 100,000 copies of the Patent Office Agricultural Report was adopted, and a proposition to allow the committee charged with the investigation of State officers in connection with the Gardiner affair, leave to sit during the recess was reconsidered, and modified so as to cause the committee to report to the Clerk of the House, and adopted.

Hon. W. A. Graham has written a letter declining the use of his name on the ticket with Mr. Webster, on the ground that Gen. Scott is the regular nominee of the Whig party, and is entitled to their support.

BY THE O'RIELLEY LINE.

Late last evening the *Free Democrat* issued the following in an extra:

River & Harbor Bill Passed!

Washington, Aug. 30.

Received at Milwaukee Aug. 30—7 P. M.

S. M. Booth:—The River and Harbor Bill has passed both Houses. At Milwaukee the appropriation is for the Northern Cut.

CHAS. DURKEE.

Washington, Aug. 26.

House—After repeated unsuccessful attempts to get up various bills which consumed a large portion of the morning hours the House finally proceeded to the consideration of the bill from the Senate, making provision for the payment of Virginia Military Bounty Land Warrants growing out of the Revolutionary War. The bill after brief discussion, was passed. Several private bills which were reported to the house, after passing second reading were laid on the table.

The bill amendatory of the Postage Laws was returned from the Senate with some amendments. The Senate amendments were discussed for a short time but before passing upon them, at the suggestion of Mr. Brooks, of New York, the were laid aside to give time for their further examination and to render the bill more perfect.

The special committee to investigate the charges against Mr. Corwin, are prepared to report to the House to-day that they cannot do anything at this session for the want of time. The important witnesses are about.

Many members of both Houses are leaving for home.

The Senate committee on Foreign Relations will shortly report in executive session upon Tehuantepec affairs.

Their report will fully sustain Mr. Webster in ground he has taken on the Garay Grant. The ultimatum will be given to the Mexican Minister here. Judge Conklin will not proceed to Mexico until answer is recieved.

The fate of the River and Harbor bill is now doubtful as it lies on the speaker's table, whence it cannot be taken but by a two third vote.

Hon. J. J. Crittenden, Attorney General of the United States, returned to this city yesterday.

Savannah, Ga., Agust 24.

A Circular was published on Monday evening, signed by the executive committee of the Union party of Georgia, withdrawing the electoral ticket put in nomination by that party at its late convention, at Milledgeville. The same circular calls a meeting of the Union whigs and democrats of Georgia, to be held at Atlanta, on the 18th December, to determine what course this party will pursue in future.

Charleston, Aug. 26.

The Union Convention called in Georgia is to endeavor to unite the Democratic party upon one Electoral ticket. The Union Committee declared the Union party dissolved.

The Stool Life-Preservers—Letter from a Passenger.

To the Editor of the Chicago Tribune.

Kenosha, August 27, 1852.

Learning with regret that Mr. E. B. Ward is censured as imposing on the public by having the Stool Life-Preservers on his boats, I deem it my duty to give a statement of the facts as follows: I was a passenger on the ill-fated steamer Atlantic, and as soon as I discovered she was sinking, I went to my state room and found two of these stools. I then went to the ladies' cabin and found a small ottoman. With these three articles I jumped overboard. I found the ottoman but little use to me—but the stools worked admirably well; and by getting the stools under the ottoman I could be half out of water. I saw a lady a short distance from me with but little to support her from drowning. I took her upon the stools, and we were supported by them for over half an hour, and we were taken on board the propeller safe.—I think if it had not been for the stools she would have drowned. There was plenty of stools in the cabin and state rooms when I got mine, but a majority of the passengers were so frightened that many of them jumped overboard without anything to support them; and I think, that a stool in as good order as those I had, would save any person from drowning, as calm as the lake was that night; and I think it doing great injustice to Mr. Ward—or to any steamboat that may carry them—to condemn the life-preserving stools.—Yours,

L. Brockway.

The Georgia Union Party, &c.—Baltimore, Aug. 27.—The Georgia papers publish the address of the Executive committee dissolving the Union party and withdrawing their electoral ticket. The reason given for the dissolution is that the great mass of the Whig party of the State had withdrawn themselves from the Union organization. A portion of the committee have issued an address to the Union Whigs and Democrats favorable to Pierce and King, calling a convention to be held in Albama on the 18th September, for the purpose of deciding on the policy to be adopted.

Connecticut.—The Whigs of Connecticut held a State Convention on Wednesday last, for the purpose of forming an electoral ticked, and preparing for the Presidential election. The attendance was large, and the best spirit prevailed. I. W. Stewart of Hartford, and John F. Trumbull, of New London county, were nominated for electors at large, and J. H. Flint, Chancy Jerome, William Fisher, and Nelson R. White, for the several Congressional districts.

Health.—The health of this city continues remarkably good. In fact a statistical statement of the population and comparative cases of sickness and death, if published, would not be credited by strangers. We venture to say that an equally healthy place does not exist in the United States. And this we ascribe to our excellent water.—*Fond du Lac Journal.*

PATENTED JULY 22, 1851.

THIS machine is now in successful operation at the shop of Wm. Hawkins in this city, and will dress Staves for

Packing, Flour and Whiskey BARRELS,

and PIPES or HOGSHEADS, at the rate of

600 Whiskey or 800 Flour Barrel Staves

PER HOUR,

straight, winding or crooked. In fact, any stave that can be worked by hand will be dressed by this machine, either for tight or slack work, from 22 inches to 72 inches in length of any reasonable width, and *to any requisite bilge*, and in the most perfect manner. The stave passes through the machine a single time, is dressed by rotary cutters and is them ready for the truss hoops. The dressing of the sides and jointing of the edge of the stave is performed perfectly. The machine is made of iron, is strong and durable, and is not difficult to keep in good order for use. Six horse power is sufficient to drive the machine with all the speed necessary.

The Subscribers having purchased of Wm. Hawkins the patent right for the United States are prepared to sell rights for States, Counties, or for running single machines and to furnish and set up the machines, warranted to perform perfectly. In the great saving of expense of transportation of dressed over the rough stave, the rapidity and perfect manner with which it performs its work, consists the value of this machine.

Satisfactory testimonials can be furnished if desired.

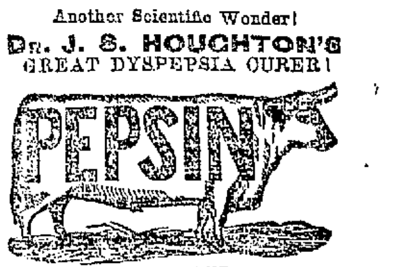
PATENT MEDICINES.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

DR. J. S. HOUGHTON'S

GREAT DYSPEPSIA CURER!



THE TRUE

DIGESTIVE FLUID,

OR

GASTRIC JUICE!

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of Pepsin, infused in water will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Pepsin is the chief element, or Great Digestive Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE.

Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York; page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject.—His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

Dr. John W. Draper, Professor of Chemistry, in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Dr. Carpenter's standard work on Physiology, which is in the library of every Physician, and is used as a Text-Book in all the Colleges, is full of evidence similar to the above, respecting the remarkable Digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the calf or ox, and used for experiments in Artificial Digestion, or as a remedy for disease of the Stomach, and deficient secretion of Gastric Juice.

All modern works on Chemistry, Materia Medica, and Physiology, and all good Medical Dictionaries, describe the character and properties of Pepsin, and state many interesting details respecting it.

The fact that an Artificial Digestive Fluid, or Gastric Juice, perfectly resembling the natural fluid, may be readily prepared, does not admit of question. The only wonder is, that it has not before been applied to the cure of Indigestion and Dyspepsia—so naturally does such a use suggest itself to the mind.

AS A DYSPEPSIA CURER,

Dr. Houghton's PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Billious disorder, Liver complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in case of Nausea, Vomiting, Cramps, Soreness of the pit of the stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. Houghton's Pepsin is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy no objection can be raised against its use by Physicians in respectable standing and regular practice. Price One Dollar per bottle.

☞ Observe this.—Every bottle of the genuine Pepsin bears the written signature of J. S. Houghton, M. D., sole proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

☞ Sold by all Druggists and Dealers in Medicine.

THE TRIBUNE.

SCOTT Leads the Column!—Forward!

'Now, brothers, now is the hour!'

THE publishers of THE NEW YORK TRIBUNE proffer copies of their regular and full Weekly issue (eight large pages, each six columns, of Literature, Politics and News,) for the remainder of the Presidential Campaign, commencing with the 7th of August and closing with Nov. 25th, when we confidently hope to announce their triumph,—on the following terms:—

1 copy for the 15 weeks	$0 37½
6 copies, to one address	2 00
10 copies do do	3 00
25 copies do do	7 50

Payment in all cases to accompany the order.

The selection of WINFIELD SCOTT for President and WILLIAM A. GRAHAM for Vice-President, has gratified our ardent wishes and strengthened our earnest hopes. Our conviction has long been fixed that Gen. SCOTT is the very man fitted and marked out by his heroic achievements—his inestimable services, at critical periods, in preserving our National tranquillity and preventing the effusion of blood—by his unquestioned integrity, his self devoting patriotism, his unsectional position and his humanity—to unite the Whig Masses in one enthusiastic, invincible host and lead them on to victory. So believing, we have labored and hoped for his nomination, and we now confidently look to the result to justify our sanguine anticipations.

THE TRIBUNE, standing on its own Platform and knowing no other authority but truth, will do its utmost for the election of SCOTT and GRAHAM; but it will not be absorbed by Political discussion. We have chosen to proffer Campaign subscribers a large sheet rather than a small and cheaper one, because the postage is the same, and because we wish to extend the knowledge of what THE TRIBUNE habitually is. The letters of our Associate, BAYARD TAYLOR, who next writes us from Syria, the ruins of Nineveh, Constantinople, &c., will appear every week, with reviews of new Books, Proceedings of Congress and the general Foreign and Domestic News of the Day. If there is another journal in America more valuable or interesting than THE TRIBUNE, it is not because more money or labor is spent thereon.

All the Editions of THE TRIBUNE are printed in large Quarto form, on a sheet 31 by 42 inches, showing eight large and compact pages of reading matter. About half the Daily is devoted to Advertisements, very few of which appear in our other issues. No ten dollar daily in the world contains more reading matter than THE TRIBUNE, which is afforded at $5 per annum, or $1¼ for three months.

SEMI-WEEKLY TRIBUNE:
One copy (per annum) $3; Two do. $5; Ten do. $20.
WEEKLY TRIBUNE:
One copy (per annum) $2; Three do. $5; 8 do. $10;
Twenty do. (to one address) $20.

⁂ Payment is in all cases required in advance.

Subscriptions for THE CAMPAIGN TRIBUNE, or either of our regular issues, are respectfully solicited. All notes of specie paying banks taken at par and may be remitted at our risk. Please address

H. H. RAYMOND'S
Spherical Disinfecting Fluid,

FOR purifying the air of sleeping and sick rooms, cabins and holds of ships, particularly for passenger ships, at sea or in port, prisons, jails, crowded rooms in general, from offensive, close and infectious air of all kinds, including the infectious spheres of cholera, ship, typhus, yellow, bilious, scarlet and other fevers of our own or Southern and Western climates, in cities and towns, on land and water. Also, for disinfecting the bodies, clothes, and trunks of persons who are in or have been in the atmosphere of infectious diseases.

This fluid is healthy to breathe or take internally, and instead of filling the room with a choking, irrespirable air, as the chloride of lime and other chemical preparations in use do, it makes the whole air sweet and salubrious, and at the same time strengthens the respiration and enlivens the spirits of those present, by its balmy, fragrant and tonic influence.

THE WORLD'S FAIR
PREMIUM SAFES.
DEPOT,
Green Block, Water St.,
(Between Maiden Lane and Wall Street,)
NEW YORK.

THE SUBSCRIBER PLACED HIS FIRE AND BURGLAR-Proof Iron Safe in competition with the whole world at the great Exhibition in London, for which an impartial jury awarded a medal.

The American Fair, held last fall at Castle Garden, also awarded to him a gold medal for the best Fire-Proof Safe, and he has never failed to obtain the highest premium when his Safe has been put in competition with others for that purpose. Certificates have been received from the following well-known mercantile houses, who have had their books, papers and money preserved in these superior Safes within the last thirty days, (and can, with many others, be seen at my store,) viz. Messrs. Stillwell & Montross, and Mr. J. L. Watkins, in the Fulton Street fire; Messrs. Fisher & Robinson, and Messrs. John Lockwood & Co., in the great fire corner of Liberty and Nassau Streets, and Messrs. Proud & Bowman, in Jersey City.

I am the proprietor of HALL'S PATENT LOCK, which obtained a medal (in the name of Adams & Co., Boston,) at the World's Exhibition, and is considered the best Lock for the price, ever invented, being proof against powder, and the Key is no larger than a cent, and can be made changeable.

I invite all purchasers to a close and careful investigation before purchasing, and decide for themselves, who makes the best Fire, Burglar and Damp-Proof Safes combined.

IMPORTANT TO THE PUBLIC!

THE following advertisement was published in May, 1849, in the "Boston Daily Times," and various other newspapers in the United States, by James G. Wilson, Esq., the owner of the "Woodworth Patent," shortly after I had advertised my "PATENT STATIONARY CUTTER, PLANING, TONGUEING, AND GROOVING MACHINE" throughout the United States:

"PLANING MACHINES.

"I take this method of answering the frequent inquiries, by letter and otherwise, as to my opinion upon the various notices through the papers, of the Stationary Knife Planing Machines attempted to be palmed off upon several persons ignorant of their true worth. I would state for the information of the enquirers that they will find substantially the machine now offered by several pretending inventors, described in the 12th volume of the Repertory of Arts, invented by Samuel Bentham, in the year 1791. A like machine was patented in this country by one Kugler, some sixteen years since, and another one put up by Albert Richards, of West Troy, N. Y., and abandoned about the same time. It ought to satisfy the public to know that after fifty eight years experimenting upon these machines, not one in use is of any value for the purposes contemplated.

I will furnish a Stationary Knife Machine equal to any now in use, or to any offered by the pretending inventors, at the cost of the machine and five per cent for my trouble.

JAMES G. WILSON,
Philadelphia."
May 19, 1849.

I deny that any person ever saw or heard of such a machine as mine until I invented the same. Said machine was operated in the month of August, 1848, and no machine before this could do so much work, and do it as well as mine. In reply to the above advertisement, and in order that the public may be assured that I mean what I say, I will offer to pledge ONE THOUSAND DOLLARS against an equal amount from said Wilson, that ONE of my machines will plane, or plane, tongue and groove with less power, as much lumber in the same time, and do it as well or better than TWO of the "Woodworth" machines. The trial to be made at my Steam Mill, Border St., East Boston, Mass., or at such other place as may be convenient for such a trial.

JOSEPH P. WOODBURY,
August 20, 1851—dly East Boston, Mass.

NO. 1.
R. R. R.
RADWAY'S READY RELIEF,

Is the first and only remedy ever recorded in the Medical History of the World that has stopped the most violent pains in a few seconds.

IT WILL STOP
THE MOST SEVERE PAINS
IN A FEW MINUTES, AND CURE THE MOST OBSTINATE AND TORMENTING RHEUMATIC, NEURALGIC AND NERVOUS COMPLAINTS
IN A FEW HOURS,
INTERNAL AND EXTERNAL.
IT WILL STOP
THE MOST EXCRUCIATING PAINS,
IN FROM THREE TO FIVE MINUTES!
AND HAS CURED

Rheumatism	In Four Hours.
Neuralgia	In One Hour.
Croup	In Ten Minutes.
Diarrhoea	In Fifteen Minutes.
Toothache	In One Second.
Spasm	In Five Minutes.
Cramps	In Five Minutes.
Sick Head Ache	In Fifteen Minutes.
Chill Fever	In Fifteen Minutes.
Chilblains	In Five Minutes.
Sore Throat	In Four Hours
Influenza	In One Hour.

SPINAL COMPLAINTS, STIFF JOINTS, STRAINS, BRUISES, CUTS, WOUNDS, FROST BITES, CHOLERA MORBUS, DYSENTERY, TIC DOLOREUX, and all other complaints where there is severe pains, RADWAY'S READY RELIEF will instantly stop pain, and quickly cure the disease.

THE HUMAN FRAME

Is the most perfect masterpiece of mechanism in the universe. Every artery, muscle, ligament and bone, exhibits in its formation the wisdom of the Deity. Every joint and sinew works harmoniously with each other, and upon the natural performance of every function depends the healthful action of the whole.

PAIN

Disorganizes the whole system, it prostrates the nerves, it relaxes the muscles, it weakens the joints, it interferes with the functions of every organ, it checks the free and healthy circulation of the blood, it paralizes the absorbents, and renders them unable to take up and replete the wasted form with sound material. From the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Joints, the Elbows, the Teeth, the Gums, or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system.—Not a nerve or a muscle escapes its prostrating influence.

INSTANT RELIEF FROM PAIN

Is the great desideratum of every individual who suffers its tortures, no matter how light or severe its paroxysms may be. No one can feel happy while suffering its torments.

RADWAY'S READY RELIEF
In a few seconds
WILL STOP THE MOST DISTRESSING PAINS.

Its effects are like electricity; it arrests the most distressing pangs in a few seconds, its soothing, neutralizing and healthful influences thrill through every minute cell, membrane, and establishes the secretion of every gland in the system, subduing the most excruciating paroxysm of pain, and imparting strength and vitality to every organ.

NEURALGIA.
PAIN STOPPED INSTANTLY.

Radway's Ready Relief possesses an almost miraculous influence over the sharp darting pangs of pain of this cruel complaint. In a few minutes the pain-stricken sufferer experiences the delightful sensations of departing pain. It has cured thousands of cases in the city of New York, where many of them had been brought almost to death's door. The effects of the Ready Relief is to stop the pain immediately, to strengthen the nervous system, and supply the nerves with nervous energy and vitality, the loss of which is the chief cause of nervous pains.

DANGEROUS PRACTICE.

The use of Morphine, Strychnine, Aconitine, Belledonna Arnica, and other poisons are not only dangerous but cruel. The effect of these poisons is not to cure the disease, or to remove from the system the pains, *but to deaden the nerves, to weaken and stop the nervous energy, to paralyze the functions of the nervous system, and to destroy sensation.*

If this practice is continued for any length of time, the patient will not only waste away, but the brain will become paralyzed, and the intellect destroyed.

RADWAY'S READY RELIEF
IS FREE FROM MORPHINE,

And all other dangerous and narcotic influence. To the weak and paralyzed nervous system it imparts life instead of death, and the pain is stopped by the healthy influence which the Radway's Ready Relief imparts to the nerves, instead of the lifeless, sleepy and paralyzing effect which Morphine, and all other preparations containing this poison, produces on the system.

SICK HEADACHE.

Radway's Ready Relief will stop the most distressing pains in a few minutes, and prevent renewed attacks. It will cleanse and sweeten the stomach, and neutralize the poisonous acids of the system.

ALL BOWEL COMPLAINTS,
Diarrhoea, Dysentery,
Bloody Flux, Cholera Morbus,
Painful Discharges,
It relieves the most severe pains in a few minutes—checks the most distressing discharges, and
SPEEDILY REMOVES THE CAUSE.

RHEUMATISM.
PAINS RELIEVED IN FIVE MINUTES.

Radway's Ready Relief will stop the severe and excruciating pains of Rheumatism almost instantly. Persons are living in this city who, for months, were confined to their beds by Rheumatic pains, whose bones were diseased from top to toe, whose joints were distorted with painful swellings, that were relieved from all pain in 15 minutes by the use of Radway's Ready Relief. This is truth, and thousands in the city of New York, and hundreds of thousands in the United States, can answer for the truth of this assertion—we need no certificates of Cures—we publish no long list of names to prove the efficacy of Radway's Ready Relief, for the Citizens of almost every town in the Union, for the last four years, have tested it for themselves.

CHILL FEVER.
CHILLS STOPPED IN A FEW MINUTES—PAIN RELIEVED INSTANTLY.

Radway's Ready Relief acts like a charm in all cases of Chills and Fever. It breaks the chills immediately—warms up and invigorates with health and strength every organ and secretion of the system.

PAINS OF ALL KINDS.

Whenever you feel pain, apply Radway's Ready Relief—it is sure to relieve you in a few minutes. If you have pains in the Stomach, Intestines, in the Liver, Kidneys, Bowels, Joints, Bones, Radway's Ready Relief, taken either internally or applied externally, will in a few minutes stop pain and quickly remove its cause.

BEAUTY.

Complexion richly tinted with the bloom of health,
With skin as pure and fair as Parian marble,—
Soft and sweet as the fragrant rose—
Teeth as sound and white as alabaster,
Breath of sweetest fragrance, and lips of coral tint,
With flowing ringlets and glossy locks,
Luxuriant tresses dancing gracefully o'er the swan like neck
No dark repulsive spots to mar the pleasing picture,
Or to cast dull shadows o'er beauty's muster place.

RADWAYS MEDICATED SOAP.

Composed of the most delicious, rare and fragrant gums,
Of extracts, oils, and costly essences—
Of flowers, roots, trees, and oriental plants,
Possessing wondrous virtues o'er skin diseases.

TO THE COMPLEXION IT IMPARTS BEAUTY.

By cleansing the skin from all eruptive matter,
Makes clean the pores, gives action to the capillaries,
By which all poisonous humors are ejected,—
And a healthy action to the skin restored,
To the teeth it gives whiteness and prevents decay,
It makes the skin soft, sweet and smooth,
Transforms the most repulsive and disfigured visage,—
To a clear and beautiful complexion.

RADWAY'S CIRCASSIAN BALM.

Imparts nutriment to the hair,—
Makes it strong, glossy, rich and luxuriant,
Cleanses the scalp from dandruff,—gives action to the bulbs,
Fastens the hair upon the scalp, and forces it to grow—
Like guano to a barren soil, it makes it rich and productive,—
To dress the hair, make it smooth and glossy,—
Strong and beautiful, &c.

Radway's Circassian Balm is the "ne plus ultra."

SCOTT'S WEEKLY.

One of the best literary papers published, said, August 25

"DR. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitution will find these Bitters advantageous to health, as we know from experience the salutary effect they have upon weak systems."

The Daily Sun says:—"It is one of the best medicines of the age for Jaundice and Liver Complaint."

Neal's Gazette says:—"Dr. Hoofland's German Bitters we know to be an excellent article, fulfilling in every respect what is claimed for it by the advertiser."

The Evening Bulletin says:—"The celebrated German Bitters are said to be an invaluable remedy for Jaundice, Dyspepsia, and Nervous Complaints."

The Daily News, July 24, says:—"A Medicine"—We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal. It is a vegetable preparation, and made without alcohol, and to all invalids we should recommend it as worthy of their confidence."

The Dispatch says:—"As a medicine for Liver Complaint, Jaundice, Nervous Debility, and Dyspepsia, it has been found invaluable, effecting cures, and thoroughly eradicating disease, when all other medicines have failed."

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to Females or Infants with safety and reliable benefit, at any time.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

A Word of Caution to the Public!

Dealers in Pain Killer are cautioned against buying or selling a spurious article of Pain Killer, manufactured by White & Co., of Buffalo, which is a worthless imitation and the publishers a "BASE FORGERY" which will appear by comparing them with the Genuine. "The certificates are copied verbatim." The proprietor of the Genuine Perry Davis' Pain Killer will prosecute any person, engaged in selling this spurious article, and is determined to protect himself and the public from this "infamous fraud." Many unprincipled persons, to deceive the public, and for the sake of gain, have applied the name Pain Killer or something similar to their own compounds such as Pain Destroyer, Pain Killing Compound, a real Pain Killer, &c. &c. all of which have been got up on the reputation of Perry Davis' Pain Killer.
